LAUNCHING MARCH 2021.

# THE ORIGINAL MINI REBORN.

Welcome the new MINI Hatch. The true original and the one that started it all. The new MINI Hatch is striking and showcases its legendary DNA more proudly than ever. On winding country roads it handles like a go-kart. It also has a small turning circle, which is handy for nimble manoeuvring in the concrete jungle. The new MINI Hatch is made to enjoy urban life to the full.

The new MINI Hatch comes with some exterior and interior design changes, new standard equipment, new technology and options. The Sport and Exclusive styles have also been upgraded with new standard equipment.

The new exterior design includes changes to the front and rear bumper, front grille, headlights, side scuttles, rear fog lights, and more! In the interior, there's a new instrument cluster design and a bigger screen, a new dashboard design, a new steering wheel and as well as new interior lighting. New alloy wheels and exterior paint colours are also available on the new MINI Hatch.

Model featured: The new MINI 3-door Hatch Cooper S Exclusive with optional Rooftop Grey metallic exterior paint colour, roof and mirror caps in black, bonnet stripes in black, Piano Black Exterior, Adaptive LED headlights with Matrix function and 18" Pulse Spoke alloy wheels with run-flat tyres.

Model featured: The new MINI 5-door Hatch Cooper S Classic with optional Island Blue metallic exterior paint colour, roof and mirror caps in white, bonnet stripes in white, Adaptive LED headlights with Matrix function and 17" Scissor Spoke alloy wheels.

## 3 OR 5 DOORS.

The new MINI 3-door Hatch is a true trailblazer. Committed to standing out from the crowd, it's expressive and self-assured – the choice for unconventional types. Offering room for four people, compact on the outside, with short overhangs – it's as fun to drive today as it was back in 1959.

Same handling – more handles. The new MINI 5-door Hatch is the icon you love with double the doors. Two extra doors open up untold opportunities, and you still get all of the iconic MINI go-kart feeling thanks to a low centre of gravity, wide-track and sporty chassis. Five seats, noticeably more legroom in the back and 30% more luggage space – the benefits of the new MINI 5-door Hatch speak for themselves.
